**Nathan and Rachel Mueller** minister among the **Maliyali people of Papua New Guinea**. “[W]e taught again about baptism and held our second Maliyali baptism day. We now have 80 baptized believers in Maliyali. We are so thankful! And this time, three of our kids got baptized alongside their Maliyali brothers and sisters, which made it an EXTRA special day to us. Praise the Lord! We also taught on communion and celebrated the Lord’s Supper together with our believers for the first time. It was a really sweet time with the church in Maliyali!”

## Tuesday **Training National Missionaries in Mexico**

**Crystal Pierce** trains national missionaries at the Ranch (mission centre) in **Mexico**. “Please pray for the students and all the challenges they have. ... [Pray] that the seven students will be prepared for all they will learn in the last year of classes and training and as they go out to serve the Lord in the people groups here in Mexico. [Pray] that God will guide us in improving the training for this next generation of Latinos and Indians who want to become missionaries.” Pray too for the Ranch team as they have gone through many major adjustments in the last year.

## Thursday **Eleven New Literacy Students in Mozambique**

**Kent and Jenny Schafer** minister among the **M people of Mozambique**. We prayed that the graduation ceremony celebrating the first two graduates of the M literacy program would generate interest in the program. Praise the Lord that the next round of classes is off to a good start. "The first two weeks of literacy classes ... were absolutely exhausting, but it was exciting to work with the 11 students and to see their enthusiasm to learn to read well in their own language! ... Please pray for me [Jenny] as I still need to check, format and print the second teacher's guide, the last four primers and flashcards for those primers!"

## Friday **Standing Strong and Keeping True to God's Word in Papua New Guinea**

**Bill and Karen Michaud** serve in **Papua New Guinea (PNG)**. This summer, Bill was able to travel throughout PNG. He attended an annual conference of 900 PNG believers. Pray that the believers would apply and share the truths they learned. Bill visited the Gende church. The missionaries who ministered for years among the Gende will not be returning. "Please pray for the small group of believers in Gende to stand strong. [Pray] that we would be able to send some younger missionaries in to finish up the translation and continue discipleship." Bill also visited the Hohola church in Port Moresby. "Please pray for the Body of Christ at Hohola to keep true to God's Word amidst the challenges [of] living in an urban area."
