

## Monday **Praying for Persecuted Christians — November 3 is IDOP**

Sunday, November 3, is the **International Day of Prayer for Persecuted Christians** (IDOP). The Voice of the Martyrs (VOM) shares, “This special day is set aside as a global prayer meeting on behalf of persecuted Christians who stand as bold witnesses to Christ in the world’s most difficult and dangerous places to follow Him. The earnest prayers of the global body of believers are a testament to our unity in Christ. May God inspire us as we enter into fellowship with our persecuted Christian family.”

Watch a video by VOM and to access IDOP resources: [www.persecution.com/idop](http://www.persecution.com/idop)

## Tuesday **Dental and Medical Professionals Needed**

More labourers are needed for the field of Papua New Guinea (PNG). In order to support new and existing works among isolated people groups in PNG, there is a need for support missionaries to fill roles in the New Tribes Mission **Dental Clinic and the Medical Clinic**. These clinics allow PNG missionaries to receive dental and medical care without leaving the country. As time and resources allow, the clinics provide healthcare services to other like-minded missions and neighbouring PNG communities and work with missionaries in interior locations to bring health awareness, education and services to remote areas of PNG where no care would otherwise be available. Praise God for the way He uses these ministries as an important part of the Body of Christ. Pray for more labourers.

For information about positions in other support roles including business office, IT, education and tech services positions, email [personnel-director@ntmpng.org](mailto:personnel-director@ntmpng.org)

## Wednesday **The First Hymnal, an update from West Africa**

**Susie** serves among the **S people of West Africa**. “I hear that there is a small but growing church among [the S people], and when they meet, they sing praises in [the S language]! One of my projects since being back is to take a few of those songs in audio form and write them out, making what is essentially the first hymnal or Christian songbook in [this language]!” Eventually, the team hopes to record the songs and share them on the radio. “[Pray] that this little hymnal would be used to bring the believers among [the S people] together in more unity, that it would help the church grow and that it would point others to Jesus.”

## Thursday **Moi Church Baptizes 11 New Believers in Asia Pacific**

**Stephen and Carolyn Crockett** ministered among the **Moi people of Asia Pacific** and now serve itinerantly. “[T]he Moi church leaders have been teaching foundational Bible lessons to a number of unbelievers. After going through Acts, the teachers asked Stephen to put in writing good questions to ask these new believers to see if they really understood the gospel of grace and were ready for baptism. After ‘interviewing’ them, the teachers said eleven people had clear testimonies, and nine more need extra teaching. [In September,] they **baptized the 11 people**. What a thrill to see them doing this all on their own!”

## Friday **“Nearly 500 believers from six different language groups came together.”**

**Summer Zimmer** shares news from a conference in **Papua New Guinea (PNG)**. “Missionaries **Jack Crabtree and Jeremy Hambrice** were recently able to speak at an annual conference for the Marawaka area here in PNG. This year, nearly **500 believers from six different language groups** came together to learn from God’s Word and encourage one another.” After hearing the teachings, “the churches responded by strategizing about how they could take the gospel to nearby language groups that haven’t yet heard! They were also committed to continuing to share the truth with their own people who have not yet believed. ... Please keep praying for this group of churches!”
