

WHAT IS JUNGLE CAMP?

Every summer, our missionary candidates have two weeks to build a home in the bush. They then live in their home for four weeks as part of a practicum that teaches them many skills needed when planting a church in a remote and isolated people group. The practicum is called “Jungle Camp”.

It is in these Jungle Camp homes that you will be staying for a couple of nights.

Don't worry, there are flush toilets.

Did you know that the majority of times you see the word “nations” in the New Testament, it’s the Greek word “ethnos”?

It simply refers to people groups, and as the Lord has commissioned us, it’s our desire to make disciples among all the “ethnos”.

“OTG made me seriously consider my role in missions and how I can start being a part of it now.”

“Very informative and it really made me think about what I am going to do in my life.”
